SUBJECT:

Root Control Sole Bid (OP 7932)

After reviewing the attached bid, I am recommending awarding the contract to the single bidder, Duke's Root Control. Last year, which was the first year of our root control program, Duke's was the only bidder as well. We feel their work history is satisfactory and prices are competitive to any other company that could complete this work. It is my understanding that due to our scope and their work schedule, other companies could not complete the work by the end of this calendar year. Duke's is also the only bidder that can provide the Met Council approved chemical application product at this time.

We are estimating an annual expenditure of \$100,000 for this program.

Please feel free to contact me with any other further questions.
